

VVARA Field Day!!

Hi Everyone, Field Day will take place this Saturday June 27 (11 a.m.) through 11 a.m. Sunday June 28 at the Parking Lot at the top of the Mingus Mountain (Highway 89-A).

There will be a FREE BBQ Picnic for all starting just after Noon. Please bring a side dish (Salad, Baked Beans or Dessert) if you would like to add to the table of goodies. The club is providing the hotdogs, bratwurst and burgers for the grill and cold drinks. Mike Floyd KE7IXU, will be there with his big portable BBQ & is an expert at Grilling Beer Brats!

Bob Rosevear, KB7RRQ, is our chief Picnic Planner, and needs to know if you will be coming so we can plan our food purchases at Costco... Please send Bob an e-mail to **RSVP** regarding the Field Day Picnic.

Send your reply RIGHT AWAY to:

rosevear520@cableone.net

Also let him know if you are bringing guests.

We will have a Kenwood 570 powered by Solar Panels and a brand new Battery Booster unit working with a G5RV wire antenna. We still need some more Radio Operators, especially for the night-time hours and Sunday morning. If you would like to make some Field Day contacts on the Club radio please send an e-mail to:

n7vf54@yahoo.com

and Norm Vandiver, will try to list you on the Radio Operator schedule.

If you have any questions about the Picnic or about helping put up the antenna and shade tents, or helping break down the equipment on Sunday before noon please call Mel, N6BDC, at (928) 646-3610 or David Drown, WN7L, at (928) 227-3720. You can also check with Steve Pearson, KC7TIL, later this week.

Thanks, I hope we can make this Field Day a Big Success!
