

Ham Radio License

How to Download an Official Copy

Go to the FCC website:

<https://wireless2.fcc.gov/UlsEntry/licManager/login.jsp>

Log in to the FCC ULS using your FCC Registration Number (FRN) and password.

From the menu on the left, select **Download Electronic Authorizations**.

Under **Filter by Radio Service**, select your call sign, then click **ADD ►**.

The license will move over to **Authorizations to Download**.

Finally, click the **DOWNLOAD** button on the bottom right.

Here is a YouTube video with instructions:
